NEXT WEEKS SPECIALS:

Monday (Day 7)	Engineering
Tuesday (Day 1)	Media
Wednesday (Day 2)	Music
Thursday (Day 3)	Art
Friday (Day 4)	PE

A Note from Mrs. Atkins

Happy Friday!

We survived our first full week after track-out and what a fun week it has been.

Tuesday we had our field trip to the Symphony and we took our class and Spring pictures. I asked the students to “dress their best” for the occasion and they did not disappoint! They were so handsome/beautiful and I’m not the only one who thought so! They received several compliments from staff members as we walked the halls proudly heading to take our pictures. I can’t wait to see how they all turned out!

This week in math we began our unit on decimals and we learned that we actually already knew a little about decimals because we are familiar with money! Our main focus this week was on comparing decimals to tenths and hundredths in fractions. We practiced writing numbers in

decimal form, fraction form, and number form. We ended the week by learning how to compare decimals by playing a fun comparison game with spinners! You can check out pictures of this activity on our class twitter (@AtkinsAllstars). You can continue their learning over the weekend by having them practice writing decimals in various forms.

Spring Palooza is next Friday. The PTA has planned an awesome night for us! The students will have the opportunity to participate in some activities like face painting, there will be a concert, food trucks, and the silent auction. Please come on out to enjoy a fun family friendly night!

That covers everything for this week! Have a safe and fun-filled weekend!

Don’t forget to keep collecting

and sending in Box Tops!

Happy Birthday:

- No April Birthdays

May Birthday's

- May 1st— Kylie
- May 14th— Ava
- May 17th— Lita
- May 31st— Ava Sophia

Next Weeks Objectives & Important Dates
