NEXT WEEKS SPECIALS:

Monday (Day 7)	Engineering
Tuesday (Day 1)	Tech
Wednesday (Day 2)	Music
Thursday (Day 3)	Art
Friday (Day 4)	PE

A Note from Mrs. Atkins

Happy Friday!!

Thank you all for a wonderful 1st week of school! We are off to a great start!

In your child's folder this week you will find a code for Class Dojo. You will not have a code in your child's folder if they were in Ms. Dunbar or Mrs. Chapman's class last year. You will be able to use the same login as last year. You will be able to login to Class Dojo to keep track of your child's behavior and work habits in class and around the school. I will also use the stories feature, which acts as a newsfeed, and my favorite feature, messages. The message feature will allow you to send a direct message that I will receive on my phone. This will be the quickest way to get in contact with me. Messages sent over the weekend or during my quiet hours (9pm-7am) will be responded to the morning of the next school

day.

In your child's Friday folder you will also find a Scholastic Book Club order form. All orders should be placed online using our class code which is Q6DDD. I will place an order at the end of every month. This is a great opportunity for you to build your child's home library while helping us earn points to build our class library. I will submit this months order at 3:30pm on Friday, September 1st.

Open house is next Thursday, August 10th. I look forward to seeing you all there !

This week in class we learned how important it is to make mistakes. We also learned the power of the word yet. We know that just because you don't get something right away doesn't mean your won't ever understand. You just don't understand YET! Over the

weekend spend some time talking with your child about lessons you've learned from your mistakes. Or, share with them a time when you experienced the power of the word yet!

That covers everything for this week! Have a safe and fun-filled weekend!

Happy Birthday:

- Aug 7th— Grayson
- Aug. 10th— Noah
- Aug. 25th— Taylor
- Aug. 25th— Kelcy

Next Weeks Objectives & Important Dates
