## A Note from Mrs. Atkins

Happy Friday!

Next week is one of the best weeks of the school year: Book Fair Week!! Going to the book fair was always one of my favorite things to do in elementary school! The Book Fair officially opens next Tuesday, Feb, 6, 2018. We will be previewing the book fair that day from 12:15-12:40. We will go back as a class on Thurs. Feb 8th, from 9:20-9:40am to shop. You are more than welcome to join us if you'd like!

This week in Social Studies we learned about the word scarcity. Scarcity is when the supply of a good or service is not enough to meet the demand of it. The students came up with some great real world examples of scarcity! We discussed the gas shortage we experienced last year, the scarcity some experience when they wait until the last minute to buy supplies for storms, and

the scarcity some experience after a natural disaster. This weekend you can continue this conversation by sharing a time you experienced scarcity with your child.

That covers everything for this week! Have a safe and fun-filled weekend!

Don't forget to keep collecting and sending in Box Tops!
