## A Note from Mrs. Atkins

Happy Friday!

Thank you so much for all who were able to donate for All for Books! Because of your donations students at our school were able to receive gift certificates to shop at the book fair.

This week in reading we learned the difference between poetry, prose, and drama. Some example of poetry include poems, spoken word, rap. Examples of drama includes plays, musical, reader's theater. Then there's prose, which includes all the other types of writing. This weekend you can extend this learning by talking about which of the three is your favorite and why.

Today in class we had a discussion about how to stay safe and limit the spread of germs. We discussed the importance of coughing into the bend of our arm and washing our hands after coughing and blowing our noses. I've

been aiding the efforts by wiping down the student desks and common areas every morning with Lysol wipes. I would greatly appreciate it if you would reinforce this with your child over the weekend.

That covers everything for this week! Have a safe and fun-filled weekend!

Don't forget to keep collecting and sending in Box Tops!
