<b>Friday (Day 3)</b>	<b>Art</b>

## Happy Birthday:

- June 3rd— Mrs. Atkins
- June 12th— Zach
- June 23rd— Laurel

## A Note from Mrs. Atkins

Happy Friday!

There's only 2 Friday's left in this school year! I know I've said this before but I really can't believe how fast the year has flown by!

This week in reading we began our EOG Review. We are slowly working our way through the released version of the 4th grade EOG, and we're having a lot of fun doing it! On Tuesday and Thursday we added a little excitement to our review by adding jumping jacks. If the answer was A, we did 2 jumping jacks, B was worth 4 jumping jacks, C was worth 6 jumping jacks, and D was worth 8 jumping jacks. Today we switched it up a little by answering our questions as teams using kahoot, an online quiz game. What will I come up with next week? They'll just have to wait and see!

This week in math we wrapped up our final unit for the quarter on line plots.

That means that we'll be doubling up on our math lessons next week. One during our regularly scheduled math time, and another during the afternoon.

That covers everything for this week! Have a safe and fun-filled weekend!

Don't forget to keep collecting and sending in Box Tops!

## Next Weeks Objectives & Important Dates

Word Work: Synonyms  
 Writing: Opinion Writing  
 Reading: EOG Review  
 Math: EOG Review  
 Social Studies: Culture Project  
 Science: Magnetism
