NEXT WEEKS SPECIALS:

Monday (Day 1)	Media
Tuesday (Day 2)	Music
Wednesday (Day 3)	Art
Thursday (Day 4)	PE
Friday (Day 5)	Guidance

A Note from Mrs. Atkins

Happy Friday!

I hope you all had a fantastic week!

This week in writing we wrapped up our unit on persuasive writing. For this particular essay students had to conduct research to learn about a non-profit organization. Then they wrote an essay to persuade readers to donate to, or volunteer at these organizations. One student even shared that he and his dad were actually going to plan a day to go volunteer at the non-profit he wrote about. This weekend you can help extend your child's learning by asking them about their organization, and if they are persuasive enough, maybe you will choose to spend an hour or two of your time volunteering to help the non-profit serve it's purpose in the community.

In the coming weeks we will be wrapping up our new learning for the year and

we will switch gears and begin planning and preparing for EOGs. A sign-up genius will be sent home the first week of June for those who are interested in coming in and leading some math review groups. You will be able to choose the date and subject(s) that works best for you. I will provide all the materials. More info will be sent home with the sign-ups.

In your child's Friday folder you will find a blue flyer with some very important dates for the upcoming school year. The letter shares the dates for Meet the Teacher, the first day of school, and open house for 1st-5th grade, along with Kindergarten dates for those of you who will have a new croc joining Sycamore Creek next year.

That covers everything for this week! Have a safe and fun-filled weekend!

Don't forget to keep collecting and sending in Box Tops!

Happy Birthday:

- May 1st- Kylie
- May 14th- Ava
- May 17th- Lita
- May 31st- Ava Sophia

Next Weeks Objectives & Important Dates
