NEXT WEEKS SPECIALS:

Monday (Day 5)	Guidance
Tuesday (Day 6)	Enrichment
Wednesday (Day 7)	Engineering
Thursday (Day 1)	Media
Friday (Day 2)	Music

A Note from Mrs. Atkins

Happy Friday!

I hope you all were able to go out and enjoy the beautiful weather! Thankfully our recess time is pretty early (10:35-11:05am) so we are able to go out before it gets too hot. However, the sun is shining full force while we are outside. With that in mind, please remember to put sunscreen on your child before they come to school. It might also be helpful to have them bring a cap and/or sunglasses to wear while we are outside.

Just as a heads up, I will be out next Thursday, May 10th, to attend the second day of training for the reading program we will be using next year. I will send a reminder next Wednesday.

This week in Social Studies we discussed how population, technology, and communication have changed over the years in North Carolina. You can continue this

learning over the weekend by having a discussion with your child about how you've seen communication and technology change in your lifetime.

That covers everything for this week! Have a safe and fun-filled weekend!

Don't forget to keep collecting and sending in Box Tops!

Happy Birthday:

- May 1st— Kylie
- May 14th— Ava
- May 17th— Lita
- May 31st— Ava Sophia

Next Weeks Objectives & Important Dates
