A Note from Mrs. Atkins

Happy Friday!!

What a fun week this has been! We had the opportunity to see a Calypso band Tuesday and today we participated in NC Celebration and had popcorn and a movie! #Winning!

During NC Celebration students had the opportunity to listen to folk stories about North Carolina, create a North Carolina flag, and also create 3 North Carolina symbols: airplane (first in flight), scuppernon grape (state fruit), and Venus Fly Trap (state carnivorous plant). They will be bringing 2 of the 3 symbols home with them today. The other symbol is on display here in Croc Cove!

This week in Social Studies we learned about the preamble of both the US and NC Constitution. A preamble is an introduction that outlines the goals of those creating it. For example, the goals of the

US Constitution are to create a just government and to ensure peace, a suitable national defense, and a healthy, free nation. This weekend I challenge you to work together to create your own family preamble. What are the goals of your family? If you were to write a constitution for your family, what rights would you include?

That covers everything for this week! Have a safe and fun-filled weekend!

Don't forget to keep collecting and sending in Box Tops!

Happy Birthday:
