<b>Monday (Day 7)</b>	<b>Music</b>
<b>Tuesday (Day 1)</b>	<b>Art</b>
<b>Wednesday (Day 2)</b>	<b>PE</b>
<b>Thursday (Day 3)</b>	<b>Guidance</b>
<b>Friday (Day 4)</b>	<b>Enrichment</b>

## A Note from Mrs. Atkins

Happy Friday!!

Welcome back to another quarter of learning!! I'm so excited about digging deeper into informational texts with my Awesome Achievers this quarter!

I mentioned this in last weeks email, but I want to thank you again for all your support during Croc Mile. Our class raised \$1,670! We will celebrate by having popcorn and a movie next Friday afternoon (Nov.3). I am still in the process of planning our kick-ball tournament.

This week in reading we started our new unit on nonfiction text. We started this unit by talking about the difference the topic, main idea, and supporting details. The topic is like the subject. The main idea is what the story is mainly about, and the details are facts that support the main idea. I can use this section of the newsletter as an example.

The topic of this paragraph is what we learned in reading, the main idea is that we learned how to identify main idea in class this week. The details are that we defined topic, main idea, and details, and there was an example of each one.

Next Tuesday is Halloween. A few students have asked about a class celebration, so I wanted to take a moment to clarify. We will not be having a class celebration. As stated in the weekly email, students are asked to wear red or Canes gear to school on that day (Oct. 31st) in support of the #Readvolution initiative we have with the Carolina Hurricanes.

That covers everything for this week! Have a safe and fun-filled weekend!

Don't forget to keep collecting and sending in Box Tops!

## Happy Birthday:

- Oct. 29th— Dylan

## Next Weeks Objectives & Important Dates

Word Work: Prepositions

Writing: National Park Research

Reading: Text Features

Math: Long Division

Science: Rocks and Minerals

Social Studies: NC Government (Comparing Preambles)
