

Dear Parents,

I'm so honored to be teaching your child this year! I am filled with excitement over all the ways your child is going to grow both in and out of the classroom! A child's education is ever ongoing. I understand that much of their education is done outside of our classroom walls, so I want to begin by thanking you for all that you do for your child.

Communication is extremely important. I've listed my contact information below for you to keep somewhere handy. Please don't hesitate to contact me with any questions, comments, or concerns. You will also be able to reach me quickly after school hours through the Class Dojo app. I'll be sending a parent registration code home during the first week of school. Feel free to contact me in any way you'd like however, I am most easily reachable through Class Dojo or e-mail.

Please read through all the online documents to help prepare your child for his/her fourth grade year.

As the students get settled into fourth grade and routines are firmly established, please realize that I am getting to know your child and working very hard to meet his/her needs. However, if you have questions, comments or concerns at any time, feel free to contact me by sending me an email at aatkins@wcpss.net, by writing a note, or by calling the office at 841-4333 and leaving a message with the receptionist.

Again, I look forward to being part of your child's education team and can't wait to get to know you and your family better. Together I know we will ensure your child a successful fourth grade year.

Have a wonderful rest of your summer!

Mrs. Atkins
