NEXT WEEKS SPECIALS:

Monday (Day 5)	Guidance
Tuesday (Day 6)	Enrichment
Wednesday (Day 7)	Engineering
Thursday (Day 1)	Zoo Field Trip
Friday (Day 2)	Early Re- lease

A Note from Mrs. Atkins

Happy Friday!!

Thank you all for a successful Croc Mile! As of this morning our class has raised \$1,197.50! As I shared in the weekly email, you can continue collecting donation until October 20th!

Today in math we started our new unit on multiplication. In this unit students will be learning strategies for multi-digit by multi-digit multiplication. I will be posting videos with tips and trick in the resource section of our class website, as well as on Class Dojo. You can help your child prepare for this unit by continuing to build fluency with multiplication facts 0-12.

Please remember that next Friday is track-out day. It is also an early release day. Next Friday is also the day that the students have their

timed mile run, so they will need to wear their tennis shoes to school. The timed mile had to be postponed due to Croc Mile.

That covers everything for this week! Have a safe and fun-filled weekend!

Don't forget to keep collecting and sending in Box Tops!

Happy Birthday:

- Sept. 17th— Claire
